Your Dance Destination!

October 15, 2018

Dear Fellow Dancers,

Thank you for dancing with us! Whether you join us for Ballroom, West Coast Swing, California Mix, Bachata, or Argentine Tango, we thank you for making Colvin Run *Your Dancing Destination!* We all enjoy our time shared there in dance, in friendship, and in personal connection! The joy we share with each dance is as unique and special as our dear school house that preserves and promotes the spirit of and passion for dancing. It is our Happy Place where we welcome all to join us.

We love our beautiful 100+ year old building with its rich and long history. Along with this passion, the challenges we face in preserving our unique dance hall extend far beyond operating revenue. We recently initiated efforts to undertake a multi-year Capital Campaign. That will include very costly roof replacement, restoration of all the windows, renovation of the restrooms, and paving of the parking lots. While we are not yet ready to announce and kick off our campaign, since you are the backbone of Colvin Run, we are sharing our plans with you in advance.

Meantime, we still need your support. We appreciate your loyal attendance at our dance events. We also count on you to help us with your contributions. We value any and all donations to ensure our Colvin Run Dance Hall continues to be available for our dancing pleasure for years to come. Please consider sending us your tax deductible donation today. Thank you so very much!
